Health and Safety Policy for MakoCreate

MakoCreate supplies Creative Media Workshops to schools, youth clubs, and community centres.

Excluding the company partners (Sean O'Hare and Ian Pye), Mako currently employs one other member of staff (Paul Foster) on a full time basis. Freelances, subcontractors and work experience personnel are occasionally used to facilitate workshops.

MakoCreate are genuinely concerned about the Health and Safety of all the staff, freelances, subcontractors and work experience personnel who work with and alongside MakoCreate. As MakoCreate currently employ less than five employees, it is not obligatory to produce a health and safety policy, this is just one of the steps MakoCreate take to ensure the wellbeing of all employees.

The office is open Monday to Friday 9.30-5.30. MakoCreate often work at clients premises during and beyond these times.

This document will be reviewed and updated every year or straightaway if there are any major changes in the workplace.
